Receiving Wires: Information to Provide Senders

How do I receive a wire transfer?

To receive a wire transfer to your Old National Bank (ONB) account, provide the sender (individual or business) with the appropriate information below based on the currency and type of wire.

Domestic (U.S.) Wire Transfers – Incoming USD

Provide the sender with:

- **Bank Name:** Old National Bank
- **Bank Address:** 1 Main Street, Evansville, Indiana
- **Routing Number (ABA):** 086300012
- **Beneficiary Name:** Your name as it appears on your ONB account
- **Beneficiary Address:** Your address as it appears on your ONB account
- **Beneficiary Account Number:** Your full ONB account number

International Wire Transfers – Incoming USD

Provide the sender with:

- **Bank Name:** Old National Bank
- **Bank Address:** 1 Main Street, Evansville, Indiana
- **SWIFT/BIC Code:** OLNAUS44
- **Routing Number (ABA):** 086300012
- **Beneficiary Name:** Your name as it appears on your ONB account
- **Beneficiary Address:** Your address as it appears on your ONB account
- **Beneficiary Account Number:** Your full ONB account number

Please note: A fee of \$16 may apply when receiving a wire transfer. For information about current fees, please contact your Old National banker or call Old National Client Care at 1-800-731-2265.
