

Zelle® and Other Payment Services Terms of Service

Effective Date: August 4, 2026

This Zelle® and Other Payment Services Terms of Service document (hereinafter "Agreement") is a contract between each individual or entity that is the owner of an Eligible Transaction Account, a person or entity applying for an Eligible Transaction Account, or an authorized representative appointed or entitled to online access on another person's or entity's behalf (hereinafter "you" or "your") and Old National Bank (hereinafter "Bank", "we", "us" or "our") in connection with the Zelle® and Other Payment Services (as defined below) offered through our online banking site or mobile applications (the "Site"). This Agreement applies to your use of the Zelle® and Other Payment Services and the portion of the Site through which the Zelle® and Other Payment Services are offered. Your deposit account with us is governed by your Deposit Account Agreement and Disclosure, including the applicable schedule of fees ("DAAD") and your use of the Site is also governed by our online banking and mobile banking terms and conditions. In the event of a direct conflict between the terms of any of the foregoing, the order of priority with respect to the Zelle® and Other Payment Services is as follows: (i) this Agreement; (ii) the online banking and mobile banking terms and conditions; and (iii) the DAAD. For the avoidance of doubt, the Other Payment Services under this Agreement are separate and distinct from our Bill Pay and External Transfer Services, which are also available through the Site but are governed by our online banking terms and conditions, not this Agreement.

1. Description of Services.

- a. We have partnered with the Zelle Network® ("Zelle®") to enable a convenient way to send and receive money with others you trust, who are enrolled with Zelle® with us, or with another financial institution that partners with Zelle® (each a "User") using aliases, such as email addresses, mobile phone numbers, or other unique identifiers described below ("Zelle® Payment Service," as further described below). Zelle® provides no deposit account or other financial services. Zelle® neither transfers nor moves money. You may not establish a financial account with Zelle® of any kind. All money will be transmitted by a Network Financial Institution. THE ZELLE® PAYMENT SERVICE IS INTENDED TO SEND MONEY TO FRIENDS, FAMILY AND OTHERS YOU TRUST. YOU SHOULD NOT USE THE ZELLE® PAYMENT SERVICE OR OTHER PAYMENT SERVICES TO SEND MONEY TO RECIPIENTS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST.
- b. In addition to the Zelle® Payment Service, we provide other payment services under this Agreement. These additional services allow you to send money to people if you provide the Eligible Transaction Account information and other contact information for the Receiver; such transactions are not sent via Zelle®. These payment services are referred to as "Other Payment Services" in this Agreement. The term "Zelle® and Other Payment Services" means the Zelle® Payment Service and the Other Payment Services.
- c. The Zelle® and Other Payment Services enable you: (1) to initiate a Payment Instruction from an Eligible Transaction Account to an account at a U.S. financial institution; and/or (2) to receive a payment from another person into an Eligible Transaction Account, in U.S. dollars. All payments must be made through the Site and are subject to the terms of this Agreement and applicable laws and regulations, in each case as in effect from time to time. Receipt of payments may be made through the Site and is subject to the terms of this Agreement and applicable laws and regulations, in each case as in effect from time to time. Subject to the terms of this Agreement, the Zelle® and Other Payment Services are generally available 24 hours, seven days a week with the exception of outages for maintenance and circumstances beyond the control of us or Zelle®. Live customer service generally will be available Monday through Friday, excluding US financial institution holidays.
- d. The Zelle® Payment Service allows for the delivery of payments to Receivers who are also enrolled in the Zelle® Payment Service through a Payment Network designed to deliver payments on the same day and potentially within minutes, although actual speed will vary, as described below. The Zelle® and Other Payment Services are not instantaneous. Payment delivery speed may vary based upon the fraud, risk and other funds availability policy of each financial institution

and Payment Network availability. We are not responsible for the performance, speed, or other acts or omissions of the Payment Networks that may be involved in the transmission of a payment. We shall not be obligated to comply with the Automated Clearinghouse (ACH) Rules in such recovery efforts or otherwise in connection with Zelle® and Other Payment Services payments unless the applicable transaction is transmitted through the ACH network. We are only responsible for delivery of the applicable Payment Instructions to the applicable Payment Network in the format required by the applicable Payment Network's specifications.

2. Payment Authorization and Payment Remittance.

- a. When you enroll to use the Zelle® Payment Service or when you permit others to whom you have delegated to act on your behalf to use or access the Zelle® Payment Service, you agree to the terms and conditions of this Agreement. You represent that you have the authority to authorize debits and credits to the enrolled bank account. In addition to the restrictions set forth in Section 20 (Prohibited Payments), you agree that you will not use the Zelle® and Other Payment Services to send money to anyone to whom you are obligated for tax payments, payments made pursuant to court orders (including court-ordered amounts for alimony or child support), fines, payments to loan sharks, gambling debts or payments otherwise prohibited by law, and you agree that you will not use the Zelle® and Other Payment Services to request money from anyone for any such payments. You agree that you will not authorize a third party to use the Zelle® Payment Service or share your credentials with a third party to use the Zelle® Payment Service on your behalf except in legally authorized situations such as legal guardianship or pursuant to a power of attorney. Zelle® and we reserve the right to terminate, suspend, or limit your access to or use of the Zelle® Payment Service at any time and without prior notice, including for reasons involving your use of the Zelle® Payment Service at any Network Financial Institution which may be deemed to be illegal, improper, brand damaging or potentially exposing us, Zelle®, or the financial system to risk.
- b. This Section 2(b) does not apply to small business Users enrolled in the Zelle® Small Business Service (to the extent made available by us). The Zelle® and Other Payment Services are intended for personal, not business or commercial use. You agree that you will not use the Zelle® and Other Payment Services to send or receive payments in connection with your business or commercial enterprise. We reserve the right to decline your enrollment if we believe that you are enrolling to use the Zelle® and Other Payment Services with your business account or to receive business or commercial payments. We further reserve the right to suspend or terminate your use of the Zelle® Payment Service if we believe that you are using the Zelle® Payment Service for business or commercial purposes, or for any unlawful purpose.
- c. To be eligible to enroll for the Zelle® and Other Payment Services, you represent that: (i) you are a U.S. resident (not including U.S. territories); (ii) you can form legally binding contracts under applicable law and are not a minor, or if you are a minor, you are using an Eligible Transaction Account in your name with a parent or guardian as co-signor or guarantor; (iii) you maintain one active Eligible Transaction Account with us and which account is in good standing; and (iv) you have the authority to authorize debits and credits to the enrolled Eligible Transaction Account you maintain with us. By using the Zelle® and Other Payment Services, you represent that you meet these requirements and that you agree to be bound by this Agreement. You must provide us with an email address that you regularly use and intend to use regularly (i.e., no disposable email addresses) and/or a permanent U.S. mobile phone number that you intend to use for an extended period of time (i.e., no "burner" numbers). You may not enroll in the Zelle® Payment Service with a landline phone number, toll-free number, Google Voice number, or Voice over Internet Protocol. Once enrolled, you may: (i) authorize a debit of your account to send money to another User either at your initiation or at the request of that User; and (ii) receive money from another User either at that User's initiation or at your request, subject to the conditions of the Section below titled "Requesting Payments." If at any time while you are enrolled, you do not send or receive money using the Zelle® Payment Service for a period of 18 consecutive months, we may contact you and/or take other steps to confirm that the U.S. mobile phone number or email address that you enrolled still belongs to you. If we are unable to confirm that you are the owner of the mobile phone number or email address, or we receive information that you are not the owner of the mobile number or email address, then you understand that we may cancel your enrollment and you will not be able to send or receive money with the Zelle® Payment Service until you enroll

again. Once enrolled, a Z logo will appear on your profile for each U.S. mobile number and/or email address that you have enrolled with Zelle®. The Z logo will be displayed to other Users to aid them in determining which of your U.S. mobile numbers or email addresses should be used to send money with Zelle®. If a User sends you money using a different U.S. mobile number or email address that they may have for you (one that is not already enrolled), you will receive a message with instructions on how to enroll it with Zelle®. If you enroll for the Zelle® Payment Service and select to use a Zelle® tag, the mobile phone number associated with your User profile will be used as a contact method for certain communications related to the Zelle® Payment Service and must meet the requirements described herein.

- d. When you enroll with Zelle®, you may establish one or more profiles. Each profile may be linked to only one bank account, but you may enroll multiple email addresses or mobile phone numbers in each profile. Once you have enrolled an email address or a mobile phone number with a profile, you may not use that same email address or phone number with any other profile. By providing us with names and mobile telephone numbers, email addresses and/or Zelle® tags of Receivers to whom you wish to direct payments, you authorize us to follow the Payment Instructions that we receive through the Zelle® Payment Service. By providing us with names, bank account information and other contact information for Receivers to whom you wish to direct a payment via the Other Payment Service, you authorize us to follow the Payment Instructions that we receive via the Other Payment Services. Once enrolled, you authorize us to credit your Eligible Transaction Account for payments remitted to you on behalf of a Sender without further approval from you.
- e. When we receive a Payment Instruction from you, you authorize us to debit your Eligible Transaction Account for the amount of any such Payment Instruction plus any related fees in effect (and as disclosed on the Site) at the time you initiate the Payment Instruction, and to remit funds on your behalf. You acknowledge and agree that any applicable fees will be charged when we receive a Payment Instruction from you, regardless of whether the Payment Instruction is ultimately completed. You also authorize us to credit your Eligible Transaction Account for the receipt of payments, including but not limited to those payments returned to us from Receivers to whom you sent payment(s) and those payments that were cancelled and returned to you because the processing of the Payment Instruction could not be completed.
- f. You agree that we will not be liable in any way for any payments that you may receive, regardless of whether you authorized the Sender to send them to you.
- g. We will use reasonable efforts to complete all your Payment Instructions properly. However, we shall incur no liability if we are unable to complete any transaction because of the existence of any one or more of the following circumstances:
 - 1. If, through no fault of ours, the Eligible Transaction Account does not contain sufficient funds to complete the Payment Instruction or the Payment Instruction would exceed the credit limit of your overdraft account;
 - 2. The Zelle® and Other Payment Services are not working properly and you know or have been advised by us about the malfunction before you execute the Payment Instruction;
 - 3. The payment is refused as described in Section 6 (Payment Cancellation, Stop Payment Requests and Refused Payments) below;
 - 4. You have not provided us with the correct information, including but not limited to the correct Payment Instructions or Eligible Transaction Account information, or the correct name and email address, Zelle® tag or mobile phone number of the Receiver to whom you are initiating a Payment Instruction; and/or,
 - 5. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution, or interference from an outside force) prevent the proper execution of the Payment Instruction.
- h. It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information that they enter into the Zelle® and Other Payment Services (including but not limited to the Payment Instructions and name, telephone number and/or email address for the Receiver to whom you are attempting to send a payment), and for informing us as soon as possible if they

become aware that this information is inaccurate. We will make a reasonable effort to stop or recover a payment made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver.

3. Sending Payments.

- a. You may send money to another User at your initiation or in response to that User's request for money. When you send money to another User at your initiation, you may initiate a: (i) one-time payment that will begin processing immediately, (ii) one-time future dated payment that will begin processing on a specified future date, or (iii) recurring payment series that will begin processing recurring payments on a specified series of dates. Further details about each of these options can be found on the Site. You understand that use of the Zelle® and Other Payment Services by you shall at all times be subject to (i) this Agreement, and (ii) your express authorization at the time of the transaction for us or another Network Financial Institution to initiate a debit entry to your bank account. You understand that when you initiate sending money using Zelle® and Other Payment Services and a payment has begun processing, it cannot be edited or canceled. One-time payments that process immediately cannot be edited or canceled. You may only edit or cancel a one-time future dated payment or recurring payment until the payment begins processing. As to the Zelle® Payment Service, if the person you sent money to has already enrolled with Zelle®, the money is sent directly to their bank account (except as otherwise provided in Section 3(f) below) and may not be canceled or revoked. We therefore recommend that you use the Zelle® Payment Service to send money only to people you know and trust. Your ability to cancel or stop payments is addressed more generally in Section 6 (Payment Cancellation, Stop Payment Requests and Refused Payments) below.
- b. Payment Instructions initiated to Receivers require you to provide contact information about the Receiver (including an email address, mobile telephone number and/or Zelle® tag). If the Receiver maintains an Eligible Transaction Account with a Network Financial Institution and has not yet enrolled in Zelle®, then the Zelle® Payment Service will contact the Receiver regarding enrollment in Zelle® and receipt of payment (a "Two-Step Transfer"). If the Receiver has already enrolled in Zelle®, then the Receiver will receive a message regarding your payment.
- c. Via the Other Payment Services, we also support the sending of money to Receivers if you provide the Eligible Transaction Account information for the Receiver and other contact information for the Receiver; such transactions are not sent via Zelle®. You acknowledge and agree that if your Payment Instructions identify an account by name and account number, the relevant financial institution may execute those Payment Instructions by reference to the account number only, even if such account number does not correspond to the account name. You further acknowledge and agree that financial institutions holding the account may choose to not investigate discrepancies between account names and account numbers. We have no responsibility to investigate discrepancies between account names and account numbers, outside of our obligations under the law to investigate errors, described below in Section 29 (Errors, Questions, and Complaints).
- d. In most cases, when you are sending money to another User using the Zelle® Payment Service, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, Zelle®, the other Network Financial Institutions, and other Zelle® users, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with Zelle®, they will receive a text or email notification instructing them on how to enroll to receive the money. You understand and acknowledge that a person to whom you are sending money and who is not enrolling as a User may fail to enroll with Zelle®, or otherwise ignore the payment notification, and the transfer may not occur. You agree that you as a Sender will not hold us liable for any damages resulting from a Receiver not enrolling in Zelle®. The money may also be delayed or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we or Zelle® delay or block a payment that you have initiated, we will notify you via email to the designated email address within your Zelle® profile. Neither we nor Zelle® have control over the actions of other Users or other Network Financial Institutions that could delay or prevent your money from being delivered to the intended User.

- e. For the Other Payment Services and those Zelle® Payment Service payments where the Site indicates payment will require more than a Business Day, you understand and agree that when you initiate a Payment Instruction from an Eligible Transaction Account, the processing of the Payment Instruction will begin and the debiting of your Eligible Transaction Account will occur as early as the day of such initiation. However, you and the Receiver should not expect the payment funds to be transferred into the Receiver's Eligible Transaction Account any earlier than the next Business Day after you initiated the Payment Instruction. If you request a one-time Payment Instruction to be initiated on a specified date or a recurring series of Payment Instruction to be initiated on specified dates, then the processing of the Payment Instruction will begin on the specified date and the debiting of your Eligible Transaction Account will occur as early as the specified date(s). However, you and the Receiver should not expect the payment funds to be transferred into the Receiver's Eligible Transaction Account any earlier than the next Business Day following the specified date. In addition, in the case of all Two-Step Transfers, the deposit of the payment funds into the Receiver's Eligible Transaction Account (even if debited or withdrawn from your Eligible Transaction Account) may be delayed if the Receiver has not enrolled in Zelle®. The Site may contain additional information regarding the delivery of a payment to an Eligible Transaction Account.
- f. For Zelle® Payment Service payments, as to Recipients who have not yet enrolled with Zelle®, you acknowledge and agree that when we begin processing the Payment Instruction we will debit funds from your Eligible Transaction Account immediately, but we will only begin to process the requested transfer of funds to the Receiver once the Receiver has provided (or we otherwise obtain) all required information, and you hereby authorize and direct us to retain such funds until the earlier of such time as the Receiver has provided (or we otherwise obtain) all required information or fourteen (14) days have elapsed. You further acknowledge and agree that our receipt of money to be transmitted to a Receiver shall not be deemed to have occurred and our obligation to complete a Payment Instruction shall not begin until such time as the Receiver provides us with (or we otherwise obtain) all required information necessary to process the related Payment Instruction in accordance with this Agreement.

4. Receiving Payments; Money Transfers by Network Financial Institutions.

- a. All transfers of money to you shall be performed by a Network Financial Institution per the direction of that Network Financial Institution customer and at all times subject to the terms and conditions of the relevant service agreement between that Network Financial Institution and its customer, including without limitation any restrictions or prohibitions on permissible transactions. Once a User initiates a transfer of money to your email address, mobile phone number, or Zelle® tag enrolled with the Zelle® Payment Service, you have no ability to stop the transfer. By using the Zelle® Payment Service, you agree and authorize us to initiate credit entries to the bank account you have enrolled. If another person wants to initiate a Payment Instruction (including in response to a Zelle® request for money, if applicable) using the Zelle® Payment Service to an Eligible Transaction Account you hold or, as applicable, if you as a Requestor want to initiate a request for money, he, she or you can do that from the Site or from an Eligible Transaction Account at a financial institution that participates in the Zelle® Payment Service.
- b. For the Zelle® Payment Service, most transfers of money to you from other Users will occur within minutes. There may be other circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Network Financial Institutions, we may need or Zelle® may need additional time to verify your identity or the identity of the person sending the money. We or Zelle® may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. If we or Zelle® delay or block a payment that you have initiated through a request for money, we will notify you via email to the designated email address within your Zelle® profile. If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this Agreement and the procedures of the business or government agency that is sending you the payment. We have no control over the actions of other Users, Zelle® or other Network Financial Institutions that could delay or prevent a transfer of money to you. You understand and agree that there may be a delay between the time you are notified of the pending Payment Instruction and the deposit of the payment funds into your Eligible Transaction Account, and you may be required to take additional steps to facilitate the deposit of

the payment of funds into your Eligible Transaction Account, such as if we have questions regarding possible fraud in connection with the payment. You authorize the Sender, the financial institution which holds the Sender's Eligible Transaction Account and us (including through the Site) to send emails to you and text messages to your mobile phone in connection with the Sender's initiation of Payment Instructions to you, and, as a Receiver, you may receive requests for money, from others through the Zelle® Payment Service.

- c. Funds received through the Zelle® Payment Service will normally be available to you for withdrawal or transfer within minutes, but when received after 9:00 p.m. Central Time, those funds will not be used to pay other transactions and debits posted to your Eligible Transaction Account until the next Business Day. What this means is that funds received after 9:00 p.m. Central Time may not be used to pay an overdraft in the Eligible Transaction Account until the next Business Day, and you could incur related fees if your Account becomes overdrawn.
- d. You acknowledge and agree that in the event that funds are transferred into your Eligible Transaction Account as a result of a Payment Instruction and it is determined that such transfer was improper because it was not authorized by the sender, because there were not sufficient funds in the sender's account, or for any other reason, then you hereby authorize us or our Service Provider to withdraw from your Eligible Transaction Account an amount equal to the amount of funds improperly transferred to you.

5. Requesting Payments. You may request money from another User. You understand and acknowledge that Users to whom you send payment requests may reject or ignore your request. Neither we nor Zelle® guarantee that you will receive money from other Users by sending a payment request, or that you will receive the amount that you request. Neither we nor Zelle® accept responsibility if the other User rejects or ignores your request or sends you an amount that is less than you request. If a User ignores your request, we may decide or Zelle® may decide, in our discretion, that we will not send a reminder or repeat request to that User.

By accepting this Agreement, you agree that you are not engaging in the business of debt collection by attempting to use the Zelle® Payment Service to request money for the payment or collection of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend and hold harmless Zelle®, its owners, directors, officers, agents and Network Financial Institutions from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any request for money that you send that is related to overdue or delinquent amounts. You agree to receive money requests from other Users, and to only send requests for legitimate and lawful purposes. Requests for money are solely between the Requestor and recipient and are not reviewed or verified by us or by Zelle®. Neither we nor Zelle® assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the Requestor. We reserve the right, but assume no obligation, to terminate your ability to send requests for money in general, or to specific recipients, if we deem such requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.

If applicable, if you as a Requestor initiate a request for money using the Zelle® Payment Service, you acknowledge and agree that as disclosed on the Site (a) the applicable service fee will be deducted from payments received by you from a Sender(s), and (b) no service fee will be charged if you as the Requestor do not receive any payments from the individuals to whom the request is sent. Further details about the foregoing can be found on the Site. You acknowledge and agree that individuals to whom you send a request for money may not receive, or otherwise may reject or ignore, your request. We do not guarantee that you will receive any payments from individuals by initiating a request for money.

6. Payment Cancellation, Stop Payment Requests and Refused Payments. Sender may only cancel a Payment Instruction until the payment begins processing. Sender may only stop a Payment Instruction at any time until the processing of the Payment Instruction into the Receiver's Eligible Transaction Account has begun. Our ability to stop a Payment Instruction will depend on the manner in which the Payment Instruction was initiated, and whether the Payment Instruction to the Receiver's Eligible Transaction Account has begun processing. Although we will make a reasonable effort to

accommodate a stop payment request, we will have no liability for failing to do so. We may also require you to present your stop payment request in writing within fourteen (14) days after contacting us at 1-800-731-2265, 1-888-899-0521 for Small Business, or otherwise directing us to stop a payment. If we charge you to stop the payment, then the charge for each stop payment request will be the current charge as set out in our current fee schedule. Payments not claimed by a Receiver who has not enrolled in Zelle® will be automatically cancelled by us fourteen (14) days after the processing of the payment begins. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied payment to your Eligible Transaction Account or use other reasonable efforts to return such payment to you as permitted by law.

7. Service Providers. We are offering you the Zelle® and Other Payment Services through one or more Service Providers that we have engaged to render some or all of the Zelle® and Other Payment Services to you on our behalf. However, notwithstanding that we have engaged such a Service Provider to render some or all of the Zelle® and Other Payment Services to you, to the extent any liability attaches in connection with the Zelle® and Other Payment Services pursuant to Section 41 (Limitation of Liability), we are the sole party liable to you for any payments or transfers conducted using the Zelle® and Other Payment Services and we are solely responsible to you and any third party. You agree that we have the right under this Agreement to delegate to Service Providers all of the rights and performance obligations that we have under this Agreement, and that the Service Providers will be third party beneficiaries of this Agreement and will be entitled to all the rights and protections that this Agreement provides to us. Service Provider and certain other capitalized terms are defined in a "Definitions" Section at the end of this Agreement.

8. Amendments. We may amend this Agreement and any applicable fees and charges for the Zelle® and Other Payment Services at any time by posting a revised version on the Site. The revised version will be effective at the time it is posted unless a delayed effective date is expressly stated in the revision. Any use of the Zelle® and Other Payment Services after a notice of change or after the posting of a revised version of this Agreement on the Site will constitute your agreement to such changes and revised versions. Further, we may, from time to time, revise, update, upgrade or enhance the Zelle® and Other Payment Services and/or related applications or material, which may render all such prior versions obsolete. Consequently, we reserve the right to terminate this Agreement as to all such prior versions of the Zelle® and Other Payment Services, and/or related applications and material, and limit access to only the Zelle® and Other Payment Services' more recent revisions, updates, upgrades or enhancements.

9. Our Relationship With You. We are an independent contractor for all purposes, except that we act as your agent with respect to the custody of your funds for the Zelle® and Other Payment Services. We do not have control of, or liability for, any products or services that are paid for with our Zelle® and Other Payment Services. We also do not guarantee the identity of any user of the Zelle® and Other Payment Services (including but not limited to recipients to whom you send payments).

10. Assignment. You may not transfer or assign any rights or obligations you have under this Agreement without our prior written consent, which we may withhold in our sole discretion. We reserve the right to transfer or assign this Agreement or any right or obligation under this Agreement at any time to any party. We may also assign or delegate certain of our rights and responsibilities under this Agreement to independent contractors or other third parties.

11. Notices to Us Regarding the Zelle® and Other Payment Services. Except as otherwise stated below, notice to us concerning the Site or the Zelle® and Other Payment Services must be sent by postal mail to: Old National Bank, P.O. Box 419, Evansville, Indiana 47703-9990.

We may also be reached at 1-800-731-2265 for questions and other purposes concerning the Zelle® and Other Payment Services. We will act on your telephone calls as described below in Section 29 (Errors, Questions, and Complaints), but otherwise, such telephone calls will not constitute legal notices under this Agreement.

12. Notices to You. You agree that we may provide notice to you by posting it on the Site, sending you an in-product message within the Zelle® and Other Payment Services, emailing it to an email address that you have provided us, mailing it to any postal address that you have provided us, or by sending it as a text message to any mobile phone number that you have provided us, including but not

limited to the mobile phone number that you have listed in your Zelle® and Other Payment Services setup or customer profile. For example, users of the Zelle® and Other Payment Services may receive certain notices (such as notices of processed Payment Instructions, alerts for validation and notices of receipt of payments) as text messages on their mobile phones. All notices by any of these methods shall be deemed received by you no later than twenty-four (24) hours after they are sent or posted, except for notice by postal mail, which shall be deemed received by you no later than three (3) Business Days after it is mailed. You may request a paper copy of any legally required disclosures and you may terminate your consent to receive required disclosures through electronic communications by contacting us as described in Section 11 (Notices to Us Regarding the Zelle® and Other Payment Services) above. We reserve the right to charge you a reasonable fee not to exceed twenty dollars (\$20.00) to respond to each request for paper copies of any document. We reserve the right to terminate your use of the Zelle® and Other Payment Services if you withdraw your consent to receive electronic communications.

13. Consent to Emails and Automated Text Messages. By providing us with a telephone number (including a wireless/cellular, mobile telephone number and/or email address), you consent to receiving calls from us and our Service Providers at that number INCLUDING THOSE MADE BY USE OF AN AUTOMATIC TELEPHONE DIALING SYSTEM ("ATDS"), and/or emails from us for our everyday business purposes (including identity verification). You acknowledge and agree that such telephone calls include, but are not limited to, live telephone calls, prerecorded or artificial voice message calls, text messages, and calls made by an ATDS from us or our affiliates and agents. Please review our Privacy Policy for more information.

By participating as a User, you represent that you are the owner of the email address, U.S. mobile phone number, Zelle® tag, and/or other alias you enrolled, or that you have the delegated legal authority to act on behalf of the owner of such email address, U.S. mobile phone number, Zelle® tag and/or other alias to send or receive money as described in this Agreement. You consent to the receipt of emails or text messages from us, from Zelle®, from other Users that are sending you money or requesting money from you, and from other Network Financial Institutions or their agents regarding the Zelle® and Other Payment Services or related transfers between Network Financial Institutions and you. You agree that we may, Zelle® may or either of our agents may use automatic telephone dialing systems in connection with text messages sent to any mobile phone number you enroll. You further acknowledge and agree:

- a. You are responsible for any fees or other charges that your wireless carrier may charge for any related data, text or other message services, including without limitation for short message service. Please check your mobile service agreement for details or applicable fees, as message and data rates may apply.
- b. You will immediately notify us if any email address or mobile number you have enrolled or is used as a contact method for a Zelle® tag is (i) surrendered by you, or (ii) changed by you.
- c. In the case of any messages that you may send through either us or Zelle® or that we may send or Zelle® may send on your behalf to an email address or mobile phone number, you represent that you have obtained the consent of the recipient of such emails or automated text messages to send such emails or text messages to the recipient. You understand and agree that any emails or text messages that we send or that Zelle® sends on your behalf may include your name.
- d. Your wireless carrier is not liable for any delay or failure to deliver any message sent to or from us or Zelle®, including messages that you may send through us or through Zelle® or that we may send or Zelle® may send on your behalf.
- e. To cancel text messaging from us for the Zelle® and Other Payment Services, send STOP to 767666. For help or information regarding text messaging for the Zelle® and Other Payment Services, send HELP to 767666 or contact our customer service at 1-800-731-2265 or 1-888-899-0521 for Small Business. You expressly consent to receipt of a text message to confirm your "STOP" request.
- f. Supported Carriers: AT&T, Sprint, T-Mobile, Verizon and others.
- g. Your phone service provider is not the provider of the Zelle® and Other Payment Services. Users of the Zelle® Payment Service will receive text messages relating to their Payment Instructions and other notices from time to time if a mobile phone number is provided. Data and messaging

charges from your telecommunications provider may apply, and you are responsible for any such charges. In the event your enrolled mobile device is lost or stolen, you agree to update your enrollment information and make the appropriate changes to disable the use of such device. You understand that there are risks associated with using a mobile device, and that in the event of theft or loss, your confidential information could be compromised.

14. Service Fees and Additional Charges. You are responsible for paying all fees associated with your use of the Zelle® and Other Payment Services. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Zelle® and Other Payment Services or Site. In certain circumstances, our Service Provider may either advance funds drawn on their corporate account or via an electronic debit, and in such circumstances will attempt to debit the Eligible Transaction Account a second time to complete the Payment Instruction. In some instances, you will receive a return notice from us or our Service Provider. In each such case, you agree that:

33. Arbitration; Class Action Waiver. If you have a dispute with us, we hope to resolve it quickly and easily. First, please contact us to see if we can solve the problem. If the dispute cannot be resolved informally, you and us agree that any dispute between us will be resolved by the arbitration process described in this section (the "Arbitration Agreement"). **We each agree to waive the right to a jury trial or a trial before a judge in a public court.** The only exception to this are claims that may be filed in small claims court. If your unresolved dispute is within the jurisdiction of small claims court, you should file your claim there.

a. Disputes Subject to Arbitration

A "dispute" is an unresolved disagreement between you and us or its agents related to the Zelle® or Other Payment Services, including but not limited to any transactions, any related product or service, this Agreement, any prior agreement with us, any disclosures or advertising regarding the Zelle® or Other Payment Services, and your relationship with us, regardless of the legal theory the dispute is based on or whether it arose in the past, may currently exist, or arises in the future. A dispute also includes any disagreement about whether this Arbitration Agreement is enforceable or valid, the meaning of this Arbitration Agreement, and whether a disagreement is a dispute subject to binding arbitration as provided for hereunder. A dispute does not include the collection by us of a credit obligation and this Arbitration Agreement does not limit our rights to exercise self-help remedies, including setoff or other offset, account holds or freezes or repossession.

If a third party is involved in a dispute between you and us, then the third party's dispute will also be decided in arbitration, and the third party must be named as a party as required under the rules for the arbitration. The arbitrator will decide all issues, including the arbitrability of disputes, the scope and enforceability of this agreement to arbitrate, and the interpretation of the prohibition of class and representative actions and non-individualized relief.

The arbitration will be conducted as an individual action between you and us. Neither you nor us are permitted to join or consolidate disputes by or against others as a representative or member of a class, to act in any arbitration in the interests of the general public, or to act as a private attorney general. The arbitrator of the dispute only has authority to proceed with an arbitration that is conducted as an individual action. Even if a class action lawsuit or other representative action is filed, any dispute between you and us related to this Agreement raised by such an action will be subject to individual arbitration between you and us.

b. Class Action and Jury Trial Waiver

YOU UNDERSTAND THAT YOU are waiving any right to participate in a class action or representative basis in court or arbitration. you and we agree not to seek to proceed on any claim in arbitration as a class claim or class action or other comparable representative proceeding or seek to consolidate in arbitration any claims involving separate claimants.

With respect to all claims and disputes that are not submitted to arbitration pursuant to this Arbitration Agreement, you hereby waive the right to a trial by jury to the extent permitted by Applicable Law and consent to service of process, personal jurisdiction and venue exclusively in a state court in the State of Indiana located in Evansville, Indiana or the United States District Court for the Southern District of Indiana, Evansville Division, located in Vanderburgh County, Indiana.

c. Arbitration Procedure

The party that files for arbitration must select either JAMS, Inc. or the American Arbitration Association ("AAA") to arbitrate the dispute. If both JAMS, Inc. and the AAA are unavailable to arbitrate a particular dispute, then the party may file the dispute with another arbitration administrator. The selected arbitration administrator will apply this Arbitration Agreement and its own code or procedures in effect at the time the dispute is filed. To the extent the administrator's code or procedures vary from this Arbitration Agreement, this Arbitration Agreement will control. The arbitration will be conducted before a single arbitrator with expertise in the substantive laws that apply to the subject matter of the dispute. The arbitrator will apply Applicable Law, including but not limited to the UCC adopted under the Applicable Law, consistent with the Federal Arbitration Act (Title 9 of the United States Code) ("FAA"). You and the Bank each agree that you are participating in transactions involving interstate commerce and that each arbitration is governed by the FAA. All statutes of limitations that exist in Applicable Law apply to any arbitration between you and the Bank. The arbitrator has the power to award to a party any damages or other relief provided for under Applicable Law and will not have the power to award any relief to anyone who is not a party to the arbitration. The arbitrator's authority is limited solely to the dispute between you and the Bank alone.

d. Costs of Arbitration

The Bank will reimburse you, upon written request, for the initial arbitration filing fee up to \$500. If there is a hearing, we will pay up to two (2) days of arbitrator fees no matter which party files for arbitration. All other fees will be allocated in keeping with the rules of the arbitration administrator unless those rules are inconsistent with Applicable Law. If Applicable Law limits the amount of fees and expenses (including attorney's fees) to be paid by you, then your portion of the expenses will not exceed that amount and we will pay any excess fees and expenses.

Any decision rendered in arbitration proceedings under this Arbitration Agreement will be final and binding on the parties, and judgment may be entered in a court of competent jurisdiction. Rules and forms may be obtained from, and disputes may be filed with, JAMS, Inc. or AAA as follows: JAMS, Inc. at 71 South Wacker Drive, #3090, Chicago, IL 60606, website at jamsadr.com or the AAA at 335 Madison Avenue, Floor 10, New York, NY 10017, website at adr.org.

In addition to the rights created by this Arbitration Agreement, you and we can each exercise any lawful rights or use other available remedies to do the following: (i) preserve or obtain possession of property; (ii) exercise self-help remedies including setoff and repossession rights; or (iii) obtain provisional or ancillary remedies such as injunctions, attachment, garnishment, or court appointment of a receiver by a court having jurisdiction.

e. Severability

If any provision related to this Arbitration Agreement is found to be illegal or unenforceable, then such provision shall be severed from the Arbitration Agreement, but the rest of the Arbitration Agreement shall remain enforceable and in full effect.

f. Survival

This Arbitration Agreement shall survive termination, amendment or expiration of the Zelle® or Other Payment Services or this Agreement. This Arbitration Agreement constitutes the entire agreement between you and us and supersedes all prior arrangements and other communications concerning dispute resolution. If we assign your Eligible Transaction Account to any unaffiliated third party, this Arbitration Agreement provision will apply to any dispute: (i) between you and that third party if you or that third party chooses arbitration; (ii) between you and us that occurred prior to such assignment; or (iii) that arises from such assignment.

Liability for Unauthorized Transfers from Old National Bank Business Deposit Accounts

You are responsible for all transfers that are authorized using your password or login credentials to access the Zelle® and Other Payment Services. Account access through the Zelle and Other Payment Services is separate and distinct from your existing signature arrangements for your Eligible Transaction Accounts. Therefore, when you give an individual the authority to access your Eligible Transaction Accounts through the Zelle® and Other Payment Services, that individual may have access to one or more accounts to which that individual would not otherwise have signature access. You assume the entire risk for the fraudulent, unauthorized or otherwise improper use of your password or login credentials. We shall be entitled to rely on the genuineness and authority of all instructions received by us when accompanied by such password or login credentials, and to act on such instructions.

We shall have no liability to you for any errors or losses you sustain in using the Zelle® and Other Payment Services, except where we fail to exercise ordinary care in processing any transaction. We shall have no liability for any error or loss that occurs before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice. We shall also not be liable for any failure to provide any service if the account(s) involved is no longer linked for use with the Zelle® and Other Payment Services. Our liability in any case shall be limited to the amount of any funds improperly transferred from your Eligible Transaction Account(s) less any amount, which, even with the exercise of ordinary care, would have been lost. Without regard to care or lack of care of either you or us, a failure to report to us any unauthorized transfer or error from any of your Bank Accounts within thirty (30) days of our providing or making available to you a bank statement showing such unauthorized transfer or error shall relieve us of any liability for any losses sustained after the expiration of such thirty-day period and you shall thereafter be precluded from asserting any such claim or error.
