Authorization
I authorize Old National Bank, its authorized representatives and service providers ("Bank"), to initiate electronic withdrawals from my designated account to make monthly payments on my loan. I understand that this authorization in no way alters or lessens my obligation under my existing Loan contract regarding the amount of monthly payments, when payments are due, the assessment of late charges or the determination of delinquencies. I must maintain sufficient funds in my account for withdrawal of my monthly payment. I understand the electronic withdrawal amount will vary with changes in escrow or principal and interest components, if applicable. I understand that the Bank will not initiate an electronic payment for my final loan payment and that the Bank will bill me for the final loan payment, which I will be responsible for making directly to the Bank as provided in the loan agreement. I understand that I must provide the Bank notice of at least 3 business days prior to a scheduled draft for any requests to modify, change or cancel my electronic payment.
