

Application overview

Welcome to the Old National Bank Foundation's Application Process

Outcomes reporting

Our wish is to meet every community need. As a strategic effort towards this goal, our funding will target innovative programs that enhance the quality of life within the communities we serve. On the Edit Outcomes page of the application you will be required to select at least 3 measurable outcomes that your program will achieve in alignment with the Old National Bank Foundation's funding priority area(s). If your grant is approved, you will be required to submit outcome progress updates every six months through the project end date.

Application Process

This is an overview of the grant application for review only. Please review our FAQ on our website at www.oldnational.com/grants before applying.

Project Start Date

Program/ Initiative Details

Provide a one-sentence description of the funding opportunity/initiative.

What results do you expect to achieve for your core participants by the end of the grant period?

Guidance: Results are not activities such as participation in workshops. They are specific verifiable changes in behavior made possible by these activities.

Please describe the community need addressed by your funding opportunity.

Guidance: Outline the issue(s) and causes, if applicable, that you are trying to address in clear terms that your population to be served is experiencing. Specifically, what critical unmet need does your program address?

Please describe how your program is or will be implemented, including activities, staffing, etc.

Guidance: Your project should reflect a coherent strategy to achieve a result. Tell us the key elements of your program or project that must be in place for you to succeed with those you serve. Be sure to include the essential elements and the general structure that must be in place and how much interaction is required throughout the project to ensure success.

Please describe the qualifications and experience of key staff involved in program implementation.

Guidance: Explain why the project staff is most qualified to achieve the desired results. If the success of this project is dependent on a person's training or education, be sure to explain the relevance.

Describe the methods that will be used to evaluate the previously stated goals and outcomes of this initiative, including criteria for success.

Describe how the evaluation results will be used and disseminated.

How will you sustain your programs results after the grant period is over?

Guidance: Please outline for ensuring this programs future ability to function beyond the life of this grant.

Beyond the measurable outcomes defined by Old National Bank Foundation (as listed on first page of application and which you will be asked details for on last page), are there any additional results you anticipate your participants achieving during the grant period that you would like to share with us?

Guidance: If there are any other key results that you think will be relevant, please provide a brief summary of them.

Are there any volunteer opportunities for Old National Bank associates during this funding opportunity?

If yes, please list.

Community Reinvestment Act (CRA)

The purpose of the Community Reinvestment Act (CRA) is to encourage depository institutions to help meet the needs of their local communities, including providing services to low- to moderate-income (LMI) families, neighborhoods, rural communities, etc. Please provide economic demographic data on the individuals and communities that you serve. Please answer the following questions to the best of your ability.

Are 51% or more of those to be served by this funding opportunity/initiative low- or moderate-income (annual earnings at 80% of median income or less)? If you are uncertain, visit <https://geomap.ffiec.gov/FFIECGeocMap/GeocodeMap1.aspx> and/or <http://www.huduser.gov/portal/datasets/il.html> to learn more.

If yes, select the household income level of the clients being served and attach confirming documentation to this application in the designated place on the attachments page.

Describe the economic status of the population and/or area being served. Include the information your organization uses to define low- and moderate-income. (i.e. Area Median Income, Federal Poverty Level, Free- or Reduced-Lunch, Percentages of Clients on Medicaid, etc.) Please provide specific information to substantiate your response to the previous questions.

You will also be required to upload economic status documentation at the end of the application.
