

If you are using Microsoft Edge to log into Online Banking but are not seeing ONB Mortgage Manager, try these simple steps.

Step 1

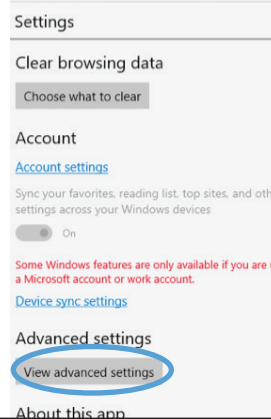

- At the top right of your browser, click the *More* ...

- Click *Settings*

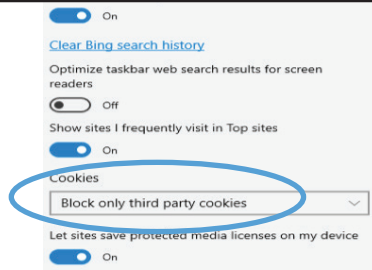

Step 2

- Scroll down and click on *View advanced settings*

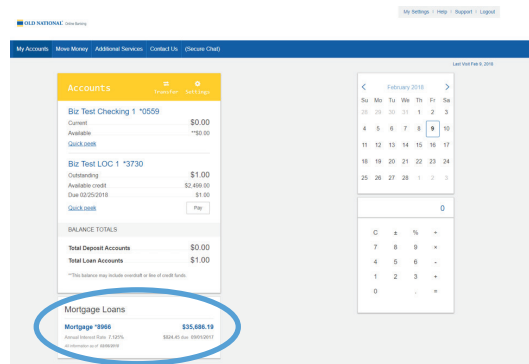

Step 3

- Under the Cookies section, select either *Block only third party cookies* or *Don't block cookies*

Step 4

- Exit browser settings and log into Online Banking again. This is what you should see.

Adjusting your browser settings in this manner does not expose your ONB mortgage data to unauthorized users
