Each year Old National Bank reviews your escrow account to ensure sufficient funds will be available to pay escrow items when due. Some details related to your account are outlined below.

3 What is the amount of my new monthly payment starting December 01, 2021?

Payment Items	Current Payment	New Payment	Difference
Principal and Interest	\$136.37	\$136.37	\$0.00
Escrow	270.48	175.81	-94.67
Total Payment	406.85	312.18	-94.67

Note: If you currently use a third party bill pay service to make automatic payments, please update the amount scheduled for submission in December to reflect the new payment listed above. This new amount will automatically take effect with your December draft if you are currently set up on Electronic Funds Transfer (ACH) draft with Old National Bank.

4 What are the most common reasons that my escrow payment may change from year to year?

A. Increases or Decreases in Amounts Billed – The amount collected each month to be held in your escrow account may change based on increases or decreases to your property taxes, homeowner’s insurance or mortgage insurance premiums. The information below compares the amounts Old National Bank expected to pay this past year for each item from your escrow account to the actual amounts that were paid. The difference column reflects the increase or decrease for each escrowed item.

Escrowed Item	Expected Amounts Due	Actual Amounts Due	Difference
COUNTY 1ST I	\$269.84	\$227.08	-\$62.76
COUNTY 2ND I	\$294.19	\$227.08	-\$67.11
HOMEOWNERS I	\$1,923.46	\$2,038.03	\$114.57
Total Annual Escrow Payments	\$2,507.49	\$2,492.19	-\$15.30
Monthly Escrow Payments	\$208.96	\$207.69	-\$1.27

B. Repayment of Escrow Shortage or Overage - According to the projections shown in Table 1 on the reverse side, your escrow account will rise above the minimum required balance of \$415.38 in December. This results in a surplus of **\$31.88** in your escrow account.

Since the surplus amount is less than \$50.00, it will be deducted from your December 01, 2021 monthly payment.

Projected Low Escrow Balance	Minimum Required Escrow Balance	Surplus
\$447.26	minus \$415.38	equals \$31.88

8 Annual Notice to Customers with Private Mortgage Insurance Circumstances Under Which PMI May be Dropped

Your mortgage loan requires Private Mortgage Insurance (PMI). PMI protects lenders and others against financial loss when borrowers default. Charges for this insurance are added to your loan payments. Under certain circumstances, federal law gives you the right to cancel PMI or requires that PMI automatically terminate. Cancellation or termination of PMI does not affect any obligation you may have to maintain other types of insurance.

For loans closed on or after July 29, 1999, PMI must be terminated by the lender as follows:

I. Borrower Requested Cancellation. The borrower must submit a request in writing to the lender to begin cancellation. The lender must cancel PMI coverage if the following conditions are met:

- Cancellation Point Based on Original Value - The principal balance of the loan must be 80% or less of the original value of the property. Original value is defined as the lesser of the sales price of the
